

Block of the Month

It is understood that when you register for a Block of the Month program you are registering for the entire program and that you agree to participate for the duration.

We require credit card information on file and the programs will be charged automatically the week prior to the last Saturday of the month as per program. *Please ensure you have sufficient funds on your credit card. A \$25 NSF fee will be charged for declined payments.*

All programs have a \$25 start-up fee: this fee is non-refundable however will be credited to the last installment of the applicable program

All programs are available for pick up in the store beginning the last Saturday of the month. Mail orders will be sent the next business day, with \$5.99 monthly shipping charge.

We ask that you check the components in each installment when they arrive, even if you are not working on the project. If there is a problem or for some reason you do not receive your next expected block, please contact us. We cannot be responsible for missing blocks if you wait to notify us.

Please remember to update us with any new credit card information if your card has expired or has been replaced.

There may be fabric substitutions, but the fabrics will remain as close to the on-line photos as possible.

Each program includes the instructions and all the fabrics that you will need to complete the top including the binding. Backing and batting can be ordered to co-ordinate with your kit.

Pre-fused Block of the Month Programs: Pre-cut, pre-fused kits are the latest and greatest in the quilting industry! Customers love these kits because they are ALL fun and no work,! Quality fabric and fusible are featured in the kits so they are sure to create lovely heirlooms. Once fused, the quilter can decide on the preferred finishing technique, from satin stitch, blanket stitch, straight stitch or if leaving as a wall hanging, don't stitch at all!

For those registered in one of our Block of the Month programs, you can pick up your kit the last Saturday of the month except December when you can pick up on the 19th.
