

Join us for an evening of quilting tips, tricks and fun! Here's a sneak peak of the line up!

Organized Log Cabins

Gail will walk you through the process to make her adaptation of *Lori Holt's Block Design Board*. Then, using a layer cake or 10" scrap squares, watch the cutting process to make log cabin block.

Dynamic Dresdens the Easy Way
Lisa will show you how to get perfect Dresden projects the Susan Cleveland way with smart solutions for tricky tasks!

Strip Piece This?

Laurrie will share this revolutionary strip-piecing method enabling you to make the once tedious and unapproachable mariner's compass block quickly and accurately.

Lighten Up!

Bev will shed light on the mystery of all the newest in LED lighting for your quilting area.

Custom Thimbles

In this make and take, Debra help you make a custom thimble just for your finger and no one else's! Deer leather wrapped around your finger and glued does not look pretty, but it is the most comfortable thimble you'll ever try.

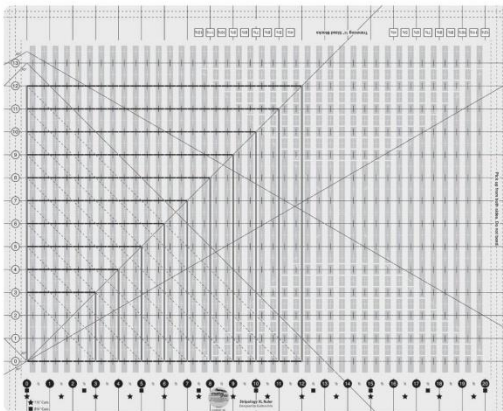

Project Bag

Using a zipper and mesh, Laura will show you how quick and easy this project is...you can make one in an afternoon!!

Paper Piecing

Intimidated by paper piecing patterns and the paper piecing process? Brenda will show you how to get PERFECT points with nothing to fear!

Stripology XL

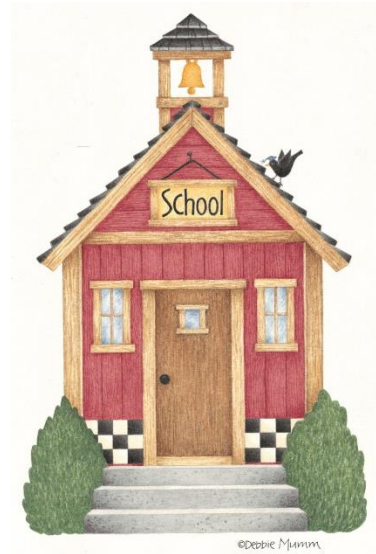

Barb will introduce you to the latest, greatest, most versatile Stripology ruler! Cuts strips, diamonds, parallelograms, squares up and more. This ruler can reduce your cutting time by 75%!
