Block of the Month Programs will be billed per month. The early month's shipping will likely be less than the billed amount, however the month's including borders, binding and backgrounds will balance out the costs.

We are required by Alberta Provincial Law to charge a sales tax of 5% on all goods and services including our Block of the Month programs. All prices are in Canadian dollars. US and International packages are shipped via Canada Post. We understand that packages can be delayed going through borders and customs, we do our best to comply with all requirements to ensure your package arrives at your mailbox in a timely manner.

We are aware that US and International customers can be charged customs, duties and taxes. These charges are your responsibility, this is beyond our control and we suggest that you research your country's policies.
