Dear Lord,
We beg but one boon
more:
Peace in the hearts of all
men living,
Peace in the whole world
this Thanksgiving.
~Joseph Auslander

Issue V November, 2016

Thanksgiving Greetings To Everyone! Well, it is again that time of the year when we give special Thanks for all the many blessings we have in our lives. When I think of the Pilgrims that came to this country and all the generations after them, I am especially thankful for the many modern conveniences that make our lives much easier. I am thankful for the beauty that exists in this world, both in nature and in the people who I have contact and association with. I am thankful for my heritage that allows me to live where I do, in this wonderful free country, and especially in the fantastic Southwest. But most of all I am thankful for my family and wonderful friends that have blessed my life so very much. I hope that each and every one of you have a fantastic month and that you eat a little too much, and thank a Veteran who helped to make us free. Live life to its fullest and be happy, and, of course, QUILT!

Debbie Maddy

Trunk Show and Lecture
February 24, 2017

Aunt Judy's Attic is excited to be hosting a fantastic trunk show and lecture by Debbie Maddy as part of our Anniversary Year Special. Mark your calendar now to come join us for the unique opportunity to view 80+ quilts all designed around Debbie's *No Diamonds, No Y Seam* methods.

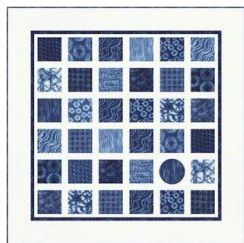

No Diamonds, No Y Seams: Old Quilts, New Methods

Learn about the technique used to make beautiful yet simple to make quilts. There is discussion on the history of the blocks used and the journey from the first quilt designed to the latest. The main portion of the time is used viewing QUILTS. Check out Debbie's web site at:
calicocarriage.com/home.aspx

Debbie has some really unique patterns available on her web site, including this one currently on display at the store. She seems to be as excited about MODA's Shibori collection as we are. You can find the new fabrics grouped at Aunt Judy's Attic or on our web site at:

<https://www.auntjudysatticnm.com/shop/Fabric/Quilters-Cottons/MODA/Shibori.htm>

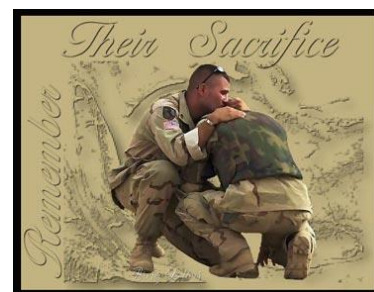

The attached picture is one of 12 seasonal birdhouse blocks that can be colored with simple crayons.

Our resident painting teacher, Sherelle Wilkerson, created this beauty. She would be glad to teach you the technique any Monday during her regular painting class.

Find the blocks on our web site at:

On this day
We give thanks and honor to those brave and true
Our banners, we will proudly wave
The Red, White, and Blue
We will give our thanks not only to our God
but also to every soldier for our bounties, that be.
For they give meaning to words
Home of the brave Land of the Free.
To the soldiers in the mess hall
Eating their thanksgiving feast,
to the troops in the desert eating another
Meal ready to eat.
May peace, hope and strength
Travel with you along the way
And may these wishes find you
On A Soldiers Thanksgiving Day
