April 2021

Happy Spring to One and All!

I have really noticed the birds are busy tweeting and singing away. Such a joyful sound. Hope that you are all busy and healthy.

I have some exciting news for this month: towards the middle of April, we will be starting a 6-month Mystery Quilt Event here at the store. Clues will be given out once a month, either in person or by snail mail. If you have never participated in a Mystery Quilt Event, it is fun. Just contact us for more information at 575-388-1620 or auntjudysattic@gmail.com.

Hope everyone has a super April!

Judy

| <p>Oh, it was a merry, gladsome day When the April Fool met the Queen of May; She had roguish eyes and golden hair, And they were a mischief-making pair. They planned the funniest kind of a joke On the poor, long-suffering mortal folk; And a few mysterious words he said, His fool's cap close to her flower-crowned head.</p> <p>~ Carolyn Wells</p> | | <p>Then he laughed till he made his cap-bells ring, At the thought of the topsy-turvy Spring. "Tis a fair exchange," he said with a wink - - - "It is!" she said, and what do you think? The flowers that should bloom in the month of May, Every one of them came on an April day! And they looked for April showers in vain, But all through May it did nothing but rain!</p> | | <p>1</p> <p>Sit and Sew</p> <p>APRIL FOOLS</p> | <p>2</p> <p>9am Peaceful Quilter</p> | <p>3</p> |

So the story goes, Fay Poudrier went to a fabric exchange. There was one piece left that nobody wanted so she took it. (Can't toss away good fabric) It turned into this great "Mimbrino Table Runner" perfect for New Mexican tables.

Fay shows off a round table mat she made.

Dream Projects

Most quilters have a "Dream Project" – that quilt pattern that has been loved but you were afraid to try; the pattern bought 20 years ago and you kept thinking 'someday'; a new skill like thread painting, paper piecing, English Paper Piecing; or even going out on a limb and creating your own design for a one of a kind quilt.

As part of the 2021 Dream Projects Event, Judy Billings is trying her hand at paper piecing. Terri Summers has ALWAYS wanted to tackle a double wedding ring. The first row gives us an idea of how many pieces go into this quilt. Find lots more Dream Project progress on Aunt Judy's Attic Facebook page #Dream Project.
