"Three Wise WOMEN would have asked directions, arrived on time, helped deliver the baby, bought practical gifts, cleaned the stable, made a casserole, and there would be peace on earth!"

MERRY CHRISTMAS AND HAPPY NEW YEAR TO ALL!

Oh what a glorious season. I had the privilege last week of walking in Silver City's Lighted Christmas Parade, and how wonderful it was to hear people wishing so much love and joy to others. I would like to encourage everyone to try to go out of their way this month, and even throughout all of 2018, to do a little good each day. Even if it is just sharing a smile, or thanking someone for something. Try to spread happiness and it will come back to you. I also want to thank all of you, my friends and customers, for a fantastic year. You are so good to me and I am so blessed to be doing what I am. Enjoy your life and be happy.

Judy
