I will guide you
through life, as this
world can get quite
wild,
Just don't you ever
forget that you will
always be my child.

Issue XI May, 2017

Oh, how wonderful - it is May, summer is just around the corner. I don't know about everyone else but my May Flowers have been showing their glorious colors earlier than normal. I just love color and we have a great selection of color at Aunt Judy's Attic. I saw two funny signs recently that I wanted to share:

*Thanks for all of you,
our great customers
and friends.*

Judy

**I have had full
conversations with my
sewing machine. They
haven't all ended well.**

The best antidepressant is
a sewing machine and a
room full of fabric.

Check out these new fabric collections. The Woodland Friends panel makes a darling Children's book or a wonderful crib quilt. Just click on the links below to go directly to our website to see these and more.
