### Hello fellow quilters,

Welcome to our term 2 newsletter. We would like to say welcome to all our new customers who have visited us over Term 1. This year has started with a bang for us. We have been SO busy with our block of the month program. So much cutting and folding of fabrics, and then packing them into the patterns that term 1 was over before we even knew it. It looks like term 2 will be much the same as while I sit and write this, fabrics have just been delivered for our next BOM. Have a look inside for details of a couple of new BOMs.

We are very excited to announce that we will be holding our first stitchery retreat in October. Our guest designers will be Nikki Tervo (QLD) and Libby Richardson (VIC). We chose to hold it in October to help us celebrate Patchwork By Sea's 20th birthday. Something that we are very proud of. Full details are on the back page of the newsletter.

Late in March we held a charity event in the shop as we were honoured to be able to display quilts and stitcheries made by Rosalie Dekker (Quinlan). One of Rosie's quilts is United Stitchers, and as part of that week we had the collectors tin that is from United Stitchers. Inside the tin we included one of the pre-printed stitcheries from the quilt and a pink Cosmo thread which were then able to be purchased by a minimum \$10 donation. We also donated 10% of sales from Rosie's pattern sold that week. One of Rosie's quilts that we had on display was 'The Joy of Life' and we were asked many times for this to be run as a block of the month. With this in mind we will now be looking for another range of fabrics to offer this beautiful quilt as a BOM. A photo of The Joy of Life is inside the newsletter. We were run off our feet with the amount of support that we had during this week, and we are very pleased to announce that at this stage we have raised over \$1700 towards 'Love Your Sister' which was Rosie's chosen charity. The final figure will be in our next newsletter.

We will be sharing information on our new BOM's on our Facebook page, a great way to stay in touch with our latest BOM's, kits, ect.

We hope that where ever you may be, you have a wonderful day. Hugz **Jen & Terry**

## Paper Garden Block of the Month

Our latest BOM, Paper Garden by Rosalie Dekker, came upon us without it being programmed into our schedule. With Rosie's passing in December we wanted to be able to offer her last quilt to many of our followers who love her designs. The response that we received took us totally by surprise and at one stage the phone was glued to Terry's ear for almost a week taking orders for the BOM.

We are still taking registration for this beautiful quilt if you would like to take part.

Our version of Paper Garden is made using Rosalie's fabric range called Mosaic Bloom which you can see below in the photo of our finished block 1. Please note that the full photo is of Rosie's original quilt and not the fabrics we are supplying. Paper Garden can be made using either machine applique, needle turn applique, or as we are making our sample by paper edge turned applique. In you BOM you will receive 29 fat 1/4s, background fabrics for the applique, borders and binding. We are supplying Paper Garden the way Rosie wanted it to be supplied, with all fat 1/4s being sent in month one. With that being the case month 1 is \$140 and months 2 through to 9 \$27.00 per month. Prices are plus \$6.00 post per month which has been averaged out over the 9 months of Paper Garden.

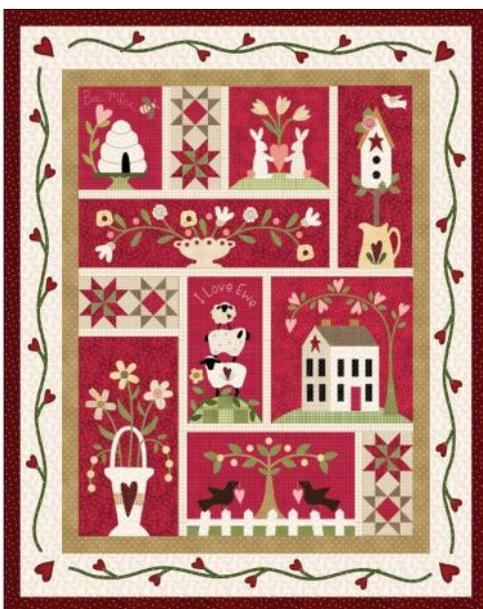

We are also offering a pack of 7 Aurifil 50w threads to complete the applique. 50 weight Aurifil thread is a beautiful thread to use for needle turn applique. The

Aurifil thread pack is being offered for a special price of \$45

## From The Heart Block of the Month.

Fabrics have just been received our 'From the Heart' block of the month designed by The Quilt Company and we are now able to offer this quilt with a strictly limited number still available. Our quilt will be made using raw edge applique but you may like to make your quilt by using your preferred method of applique. Fabrics supplied are all the original fabrics as pictured. There will be sufficient fabrics supplied monthly to be able to complete your quilt using needle turn applique. Run over 9 months, From the Heart sells for \$39.00 plus \$5.00 post per month. The finished quilt size is 58" x 70" If you would like receive From the Heart please call us in the shop on 08 8384 8881 to register.

## Nikki Tervo's Mystery Stitched Mandala.

This is proving to be a very popular block of the month. Each month you will receive an extra large (13") pre-printed mandala complete with a Cottage Garden Stitchers Palette. The Stitchers palette is intended as a starting point and you may like to add additional threads to compliment the palette that we have chosen for the month. The price for the Mystery Stitched Mandala and Stitcher Palette is \$50.00 per month plus postage.

You may also like to receive the Mandala without the thread pack for \$25.00 per month and use your own stash of embroidery threads. Pictured above are our samples of month 1 and 2.

## Aurifil Threads.

We are excited to be able to offer you a range of the wonderful Aurifil threads. Early April we will have in stock 105 colours of the 200m spools and 21 colours of the 750m spools. 50 weight thread is on the orange spools and it is a great general purpose thread perfect for most of our patchwork needs, machine piecing, machine quilting and most forms of applique. If there is a certain colour or weight of thread that you like using and we do not stock it, we are more than happy to order it in for you with our next order.

### SPECIAL INTRODUCTORY PRICE

From now until 30th June we are offering the 200m spools at an introductory price of \$6.50 After then it will revert to the normal price of \$7.50

## The Joy of Life.

As we mentioned on the front page, during the display of Rosalie Dekker's quilts that we had in the shop in March we had a very high number of requests us to run 'The Joy of Life' as a block of the month. Your wish is our command, so we will now be hunting for suitable fabrics to run this gorgeous quilt that has so much meaning associated with it as a block of the month. Watch out for details on our Facebook page over the coming months as we finalize details for the BOM.

Some of the beautiful work by Rosalie Dekker that we had on display in the shop.
