## **Beginners Free Motion Quilting with Wendy Greber**

This is a sample technique class on free motion quilting taught by an instructor who has been quilting for over 20 years. You will drop your feed dogs and learn the technique of moving fabric without the need to turn it to quilt your quilt.

Being able to have several options to overall quilt your own quilt will be taught in this class. Doing it yourself saves you a huge amount of money and makes it more meaningful and special. There are other options than just stitching in the ditch or using straight lines. Numerous tips, styles, and options will be covered and practiced in this class. Wendy will demonstrate some of her tricks as well.

This is a course for beginners, and a refresher for experienced quilters as well. Several students have repeated this class. We will cover needles, threads, battings, and much more. This is a no stress type of a class with clear instructions.
