

2023 Quilt Challenge "A Closer Look"

The theme for the 2023 Quilt Challenge is "A Closer Look."

This may have you imagining a magnified view of something familiar or maybe a deeper exploration of a topic of special interest to you. Let your imagination run wild.

There are only two rules, the maximum size in any dimension should measure no larger than 25", and the quilt should include at least one material/element that is not fabric such as buttons, beads, or whatever.

We will reveal our finished pieces at the September business meeting and all who finish a challenge quilt will be entered in a drawing for a quilt store gift certificate!

If you have any questions, please call Sandy Cundiff
