

President's Block Directions (6 1/2" Pinwheel square) – Jerri Thomas

Lime Green (LG): 3 7/8" square. Need 2.

Sapphire Blue (SB): 4 1/4" square. Need 1.

Turquoise (T): 4 1/4" square. Need 1.

Place **SB** square on top of **T** square, right sides together. Cut both ways on the diagonal.

With right sides together, stack one ^{SB}~~LG~~ and one **T** triangle together and sew on one short side.

Repeat with 3 more triangle sets. Press seam toward **SB**.

Cut 2 **LG** squares on the diagonal (only once). Lay one **LG** triangle on top of a **SB** & **T** unit. Sew together on the long side. Press seam toward **LG**. You now have four squares. Sew these 4 squares together to make a pinwheel with the **SB** triangles to the inside. Do Not Trim.
