Sew Very Easy "Pillow Case with a Flap to Hide the Pillow"
<https://www.youtube.com/watch?v=Bh748C-pcgM>

The first 2 are great for beginners. The 3rd has a nice addition for those of you are willing to try something new. Great Teacher.

You can piece the cuff with a row that you already have or embroider a design since the cuff backside is never seen. Try something interesting.
