

THURSTON COUNTY FAIR BLOCKS

The kits for the 2014 Thurston County Fair blocks are available for purchase at Bayside Quilting. The price is \$9.99 and new this year the packet contains two fat quarters and four fat eighths for a total of six pieces of fabric. You can use this fabric to make any block pattern from the fabrics, but you cannot add any other fabric from outside the packet. This year you are required to **use a minimum of four fabrics in the packet for each block.** You will get six fabrics, but you only need to use four in a block. (Note: this is a change from past years.) The fair's theme is "Fun for the Whole Herd" and the fabrics are bright and fun!
