

Here is the layout of one of the majority of room available at Spruce Lodge. We will arrange to have a maximum of four to a room unless otherwise requested. If you desire a room to yourself, please call for special pricing.

Eleven of the bedrooms are like the above layout. They have a futon which can be used as a sitting area or a full size bed. The two extra long twin singles can be turned into a king size bed for families, These rooms all have tub/showers.

Rooms 201 and 202 on the upper floor have a slightly different layout, Room 202 has a much larger bathroom as it has a fully handicap accessible roll in shower, It also does not have a futon due to the increased bath size.

Room 201 has a smaller bedroom area and larger bathroom sink area and normal shower stall. It also does not have a futon due to space considerations.
