

## **Basic Computer Skills for Machine Embroidery**

**Date: February 17, 2024**

**Instructor: Debby Nowlan**

### **Class Description**

Having trouble getting embroidery designs to your machine? Can't find the designs you want on your computer? Not sure how to unzip zipped designs? Then this class is for you!

In class, we will discuss Basic Computer Skills that all embroiderers should have to aid you with your machine embroidery. Students will download and save a design, create folders on your computer to store machine embroidery files, move designs to a USB, organize folders on the USB, and move designs to your embroidery machine.

### **Class Supplies (You do NOT need to bring your embroidery machine.)**

- Personal laptop/tablet with USB port (Note: Some tablets like iPads do not have a USB port.)
- Contact Debbie to determine if you have the appropriate computer. )
- USB flash Drive 2 GB
