

## Chopsticks by Jaybird Quilts

Instructor: Megan Shein

### Class Description

Chopsticks is a fun, easy to make block. There are two different blocks that make up this quilt. Using the 12" Creative Grids 60 degree Triangle ruler, you will be able to quickly cut out these triangles and frame pieces. You will learn to work with bias edges and chain piecing.

### Class Supplies

- Chopsticks Pattern by JayBird Quilts
- 12" Creative Grids 60 degree Triangle Ruler # CGRT12560 (The pattern designer recommends only this ruler versus another type of 60 degree ruler, as not all rulers use the same measurements or are the same size. It can not be ensured that any other 60 degree ruler will work. This ruler is available at Quilt Patch Fabrics.)
- 6 ½ " x 24" quilt ruler
- Usual quilting supplies including sewing machine, power cord, foot pedal, neutral thread, pins, small scissors to trim threads, etc Also, include a 45mm rotary cutter (with a sharp blade), small cutting mat, iron and ironing surface ( there are classroom irons and ironing stations available for use.)

### Fabric Selection

Let your heart and creativity come to play! I used lots of fabrics that played well together. However, you could limit the colors in your smaller triangle, or use a consistent color in the frames surrounding the larger triangles. This would be lovely in seasonal, juvenile, or ethnic fabrics. Please refer to the pattern for yardage amounts. Have fun!! **Please bring all your quilt top fabrics to class ( excluding backing and binding).**

### Cutting Instructions Prior to Class

- Please pre-cut (1) 6 ½" x WOF strip for your **Center A triangle** only. The pattern suggests cutting from your background fabric, in my class example, I cut from different polka dot fabrics I had. Please do not cut any further
- Please pre-cut (1) 2 ½" x WOF strip from each print fabric for **Triangle A Frame Pieces** ( PLEASE DO NOT CUT ANY FURTHER AS WE WILL DISCUSS HOW TO USE THE TRIANGLE RULER IN CLASS)
- Please pre-cut (1) 9 ½" x WOF strip from each print fabric for **Center B Triangles** regardless of which size quilt you are making. Please do not cut any further
- Please pre-cut (1) 1 ½" x WOF strip from the background fabric for **Triangle B Frame Pieces**. For my class sample, I used several different colors of grunge fabric. ( PLEASE DO NOT CUT ANY FURTHER AS WE WILL DISCUSS HOW TO USE THE TRIANGLE RULER IN CLASS)
