

Embroidery University

Instructor: Carol Mallozzi

Join us for a 4 session class on everything embroidery!

The first session will cover all things about files, buying, storing and moving to your machine.

The second session will cover all things stabilizers and we will stitch out a tiling project.

The third session will cover all things about software and we will stitch out a coaster project.

The fourth session will cover multi-hooping a design and we will stitch out a Christmas pillow project.
