

Flower Stalls

Date: March 21, 2023 from 10:30 am – 2:30 pm

Instructor: Megan Shein

Class Skill Level: Confident Beginner to Intermediate

Hello Fabric Friends!

This quilt has a great design, looks difficult but is easy to assemble once you understand the simple techniques behind them. This would look beautiful with floral, or novelty fabric such as vegetables, bugs or insects too. A confident beginner or veteran quilter will enjoy making this quilt.

Class Supplies

- Flower Stalls pattern by Beyond the Reef (required)
- 6 ½" x 24 ½" ruler
- Sewing machine, manual, cords and foot pedal
- Neutral thread (I recommend Aurafil)
- Pencil/pen
- Pins
- Sewing clips (optional)
- Rotary cutter
- Cutting mat
- Small scissors
- Best Press Spray (recommended)
- Iron and ironing surface (optional)

Fabric Selection

I recommend not using directional prints, unless you want to use them for your large squares. If you use them for smaller strips and sashing, you will need to be very mindful during cutting and placement.

Cutting Instructions Prior to Class

Please precut your fabrics before class according to the pattern. If you are uncertain, please reach out to me at sheinmm@gmail.com or text me at 704 771-9883. Please include your name and the quilt class so I can be prepared to answer your questions!

There are class irons and ironing boards that you may use, however if you prefer to use your own, feel free to bring an iron and ironing surface. I highly recommend Best Press Spray. Be sure you have the means to sew an accurate ¼ inch seam allowance. It is the key to accurate piecing.

A few housekeeping items

- Please park in front of Quilt Patch only when unloading or loading your car. Please move your car to the church parking lot prior to class. Please do not park to the right of the far classroom window. Those spaces are reserved for AAA Sewing and we want to be good neighbors.
- Quilt Patch Fabrics opens at 10:00 am. Please have sewing machine and sewing station set up and ready to go by 10:30 am.
- All personal items (bags, purses, etc.) need to be stored under your table, not lining the walls. This is a safety issue, especially when we have a full class.
- You are welcome to bring your lunch.
- All drinks must be in spill proof containers.

Please feel free to reach out to me at sheinmm@gmail.com or text me at 704 771-9883. Please include your name and the class you are enrolled in. I am so happy that you chose to take this class, and I look forward to seeing the beautiful quilts you will be creating!!!

See you soon,

Megan
