Introduction to Janome Memory Craft 500/550 Machines

Instructor Carol Mallozzi

Class Description

Learn your Janome Memory Craft 500E or 550E embroidery machine. Whether you are a new owner or just need a refresher, this class is for you. In class, we will review all the machine settings, tips for using the needle threader. Then we will dive deep into the built-in embroidery designs and monograms with an emphasis on adjusting the design and its placement. We will learn how to import design files from a USB to your machine and how to save files to your machine and much more.
