

Stacked Squares Quilt

Instructor: Megan Shein

Class Skill Level: Confident Beginner to Intermediate

Feeling overwhelmed by your scrap bin? This pattern can be made with fat quarters or from your stash! The quilt design will be most successful with small to mid size prints or solids. This pattern is also an opportunity to show off low volume prints as your background.

Fabric Selection

I chose low volume yardage for my background squares in the store sample. This quilt also looks good in Seasonal and juvenile prints. Batiks would be beautiful too! You will want to choose fabrics that have contrast between the feature blocks and background.

Preparation Prior to Class

Please review and refer to the cutting instructions on page 3 of the pattern prior to coming to class. Check the fabric requirements for the size quilt you intend to make and bring all your fabrics to class. DO NOT starch any precut fabrics (ex. Jelly Rolls) as they will shrink a bit. It's okay to starch yardage before cutting. Please cut both feature and background pieces. It is very important to label each set of subcuts.

If you have a travel iron, please bring it as you'll be doing a lot of pressing during class.

Be sure you have the means to sew an accurate 1/4 inch seam allowance. It is the key to accurate piecing.
