

## **ZIP IT UP MONOGRAMMED BAGS**

**Instructor: Penny Reynolds**

Want to get to know your embroidery machine a little better? How about making some gorgeous and fun birthday and Christmas gifts? The ITH Zipper Bag is the perfect solution. In this class, you will learn how to make a zipper bag with a mesh front and an additional pocket in the back completely in the hoop with no additional sewing required!

The pattern includes 4 different sizes of pouches; Extra Large, Large, Medium and Small. Based on your hoop size, please choose either the Large, Medium or Small size to make during class.

### **Class Supplies**

- Zip it Up In the Hoop embroidery design by Pickle Pie Designs. Pattern #PPD61. Please use the link below to purchase the bag and during checkout, use the Quilt Patch discount code of quiltpatchfabri (spelling is correct – it is not our complete name).
  - Link to Pickle Pie: <https://picklepiedesigns.com/?ref=QUILTPATCHFABRICS>
- Fabrics (main and coordinating), Mesh, Fusible Webbing, **tearaway** stabilizer and 14" zipper in the amounts indicated on the pattern.
- Basic machine embroidery supplies (tape, snips, and thread that coordinates with fabric choices), rotary cutter.
- In addition, please bring your favorite tool that will push out the corners when we turn the project right side out.
- Machine supplies – embroidery machine, needles, power cord, hoops, etc.
- Embroidery machine in good working order with foot pedal (if applicable), power cords and instruction manual.

**NOTE #1:** There is an option to make the bag with either vinyl or mesh. We will be using MESH only in class.

**NOTE #2:** Go ahead and cut out the fabric and fusible interfacing for the size bag you plan to make in class. It is extremely helpful to mark your fabric pieces with the corresponding letter of the alphabet (see page 5 of the pattern).

Prior to class, be sure that you have downloaded the designs from Pickle Pie to your computer and then copied the size and alphabet design that you want to make in class to a USB. You may want to download 2 sizes in case you have time to work on another one!

BE SURE YOU HAVE AN EMBROIDERY MACHINE WITH HOOPS BIG ENOUGH TO MAKE YOUR BAG! If you do not, but would still like to make this project, Quilt Patch does offer machine rentals for \$15 a day.
