Quilting on Your Domestic Machine Workshop

Instructor: Cheri' Hanschu

- Saturday, April 25, 2025
- Doors will be open for set up @ 8:30 am
- Class starts at 9:00 am

Class Supply List: **REMEMBER ALL CORDS!**

1. Sewing machine with walking foot or dual feed. A seam guide to attach would be desired but not required. If using dual feed, please have all the feet that work with it available. Choose a foot that has an open toe with good visibility around the needle.
2. Please make sure your machine is clean, oiled and in good working order
3. Topstitch Needles 80/12 or they will be available at the shop
4. An extension table is highly recommended but not required.
5. Quilting ruler with a straight edge - 4- 8 inches is great.
6. Quilting gloves - Machingers are my favorite, optional
7. Rulers - a 24" or so ruler is great for marking! A yardstick works too!
8. Frixion pen, marking pen - or even a writing pen.
9. Seam ripper or tweezers -- we won't use them much -- just a bit!
10. Thread clippers / scissors.
11. Thread and filled bobbins to contrast with white
