Tucker University Course & Supply List

Class Date/Time: _____

1-401 Square Squared & Little Houses The Square Squared is an all-in-one tool that gives you a window template for accurately cutting the center square, a chart printed right on the ruler for the recommended size to cut the triangles sewn to the four sides of the center square and a trim down section on the ruler that simplifies the alignment of ruler to fabric unit and allows everyone to clean up the unit to a precise measurement every time.

*Required Tools: Squared Square®, and Quilter's Magic Wand®

*Required Technique Sheet: Little Houses

*Required Design Sheet: Squared Square

*These items can be purchased at Prairie Flower Crafts

Basic Sewing Supplies

Sewing Machine with
Power cords and manual (just in case)
Thread
Machine Needles
Invisigrip (optional)
Best Press or light starch (optional)

Basic Quilting Supplies

Rotary cutter with sharp blade
Marking Pencil (mechanical will do)
Small cutting Mat
Snips or Trimming Scissors
Seam ripper
Straight edge ruler approx. 6"x12" or so

Pre-Cutting Directions:

Fabric: Strips can be cut from fat quarters or even scraps from your stash. However, try for minimum strip lengths of 15" and then to add up to the required length from the chart. Mix & match colors – remember that we're learning techniques and you can learn using I-wonder (I wonder why I bought this) fabric.

Pre-Class Cutting Instructions WOF = width of fabric, approx. 40"

Note: Cutting instructions are for a limited number of class samples.

Baggie 1:

Fabric A (1) 3 ½" x WOF (Min 3 ½ by 18")
Fabric B (8) 3 ¼" Squares

Baggie 2:

Fabric A (4) 5" Squares for Fussy Cut
Fabric B (8) 3 ¼" squares

Baggie 3:

Fabric A (4) 4 ¾" Square
Fabric B (4) 2 ¾" squares
