Supplies:

Candlewick Border:

You can make as many blocks as you would like.

Here is a guide to the fabric sizes you will need depending on the size of the block you are going to use.

Fabric for the blocks cut into the following sizes:

- o For the 6x6" – 8" x 8" Squares
- o For the 8"x8" – 9 1/2 x 9 1/2" Squares

Fabric for the lining:

- o The lining will be added once you have sewn all the blocks together when your quilt/wall hanging is complete. You will need to determine the amount of lining needed based on the size of your completed project.

Batting:

- o For the 6x6" – 8" x 8" Squares
- o For the 8"x8" – 9 1/2 x 9 1/2" Squares

For the corners:

- o If you are using the 6x10" file with two corners you need to use 7.5" x 10" fabric.
- o If you are using the 8x8" file with two corners you need to use 9.5" x 9.5" fabric.
- o If you are stitching the 8x12" corner you will need to use 6.5" x 10.5" fabric.

You can round your project off with a sashing around the edges.
