* Basic Sewing Supplies

Before Class:

What would you like customers/students done before class? Like the cutting?

This paper needs to be able to stand on its own and let customers know what to bring to class and a little of what to expect without talking to the teacher ahead of time.

Class will start and end promptly—please be set up and ready to begin class on time.

 Your payment is your commitment to your class and to the instructor. The class may be postponed or refund issued IF a minimum enrollment is not met. You must give a 3-day notice to transfer the fee to another class. Student must have basic knowledge of their own sewing machine, including how to operate and thread your own machine. **Please note:** Neither your instructor or Pins & Needles can be responsible for forgotten supplies and/or equipment. Please be sure to have all of your supplies properly labeled.
