CONTEMPORARY QUILTING ELEMENTS WITH LAUREN JACKSON

Contemporary quilting has changed the way we construct and piece our tops and even how we piece them to allow space for our quilting motifs to shine, lets explore how to compliment our tops in interesting and inventive ways. Custom quilting is a balance of electing the right design combinations to compliment our quilts and enhance their appeal, but also a delicate balance of which designs to use and how to implement them. Lets explore how to use our rulers more efficiently to design fresh quilting motifs on our tops, and how to pair them with background fillers to create interest and definition.

ONLY \$89 IF YOU BRING YOUR MACHINE **\$109 TO SHARE A MACHINE**
SATURDAY, SEPTEMBER 26TH 10:00 AM - 3:00 PM

Take all 3 classes for \$169 (\$199 to share a machine.)
