Please purchase supplies prior to class time. All supplies can be found at Pins and Needles at a 10% discount.

We have a large selection of 50% off sale fabrics. Our staff will be happy to assist all new sewers!

Class will begin on time. Please arrive a little early for set up.

If you must miss the class due to illness or emergency, you must call the store prior to class to receive a credit for another class. Sorry, no call, no credit.

Parents are welcome to remain with their student if they wish, however, it is not required.

It is very helpful to remind students to get everything ready the evening before class. Coming after school can be very hectic sometimes and forgotten projects will decrease precious class time.

Please feel free to call the store with questions! (440) 243-6400

Can't wait to meet your student!
