### **Project: Block of the month for Moda Quilt**

This project can be done as a block of the month or you can buy the pattern. If you are new to quilting this is a nice starter quilt. And you will get the pattern block each month. I personally would buy the whole pattern to cut the whole quilt out at one time. That way I would have all my material. But if you prefer to do it monthly that is okay.

### **Supply List:**

- instructions for block
- Fabric Per instructions for the block we are making
- thread
- rotary cutter
- 6 x 24 ruler
- Pattern My Color is Moda (If you want to cut everything at once, YOU MUST PURCHASE THE MODA PATTERN...)
- Note book to hold pattern
- Pink tape
- 20 One-gallon zip lock bags (if cutting the whole quilt at on time,)

\* Basic Sewing Supplies

### **Before Class:**

If taking monthly you will be cutting each block in class, or may do so at home IF you feel comfortable doing so. Please purchase all material before the day of class, that way we will not wasting time picking out material.

Class will start and end promptly—please be set up and ready to begin class on time.

Your payment is your commitment to your class and to the instructor. The class may be postponed or refund issued IF a minimum enrollment is not met. You must give a 3-day notice to transfer the fee to another class. Student must have basic knowledge of their own sewing machine, including how to operate and thread your own machine. **Please note:** Neither your instructor or Pins & Needles can be responsible for forgotten supplies and/or equipment. Please be sure to have all of your supplies properly labeled.
