MEET THE EDUCATOR

CHRISTINE HARLAN

Christine is an SVP Elite Educator with over 30 years of experience as an educator, designer and fiber artist. She teaches many techniques which include: modern quilting, landscapes, collage quilting, grid quilting, hand and machine embroidery, dry and wet felting, heirloom, free motion thread sketching, and a variety of mixed media fiber art classes. She loves to pass along her trade tips while sharing samples and helping you explore new techniques. These events fill up fast. Seating is limited. So, if you'd like an opportunity to meet Christine and learn from her while she teaches you how easy it is to create a project on the incredible Pfaff Icon.
