

# Sew a Purse Change a Life

## Grab Your Friends For a Special Charity Sewing Event

As part of National Sewing Month, join us for a special charity sewing event that benefits Sew Powerful. We're hosting an exclusive event where you'll use a Baby Lock sewing machine to make and donate cute purses that discretely carry reusable feminine hygiene products for girls in Zambia.

These purses empower girls to stay in school all month, improve their academic performance and move on to secondary school. We'll provide you with everything you need including a sewing machine, fabric, instructions, and more.

## About Sew Powerful

Sew Powerful unites sewists from around the world to combat extreme poverty in Lusaka Zambia where it equips community members with jobs, training tools and technical skills to make purposeful products, all designed to keep kids in school. To learn more, visit [www.sewpowerful.org](http://www.sewpowerful.org).
