14:54:11 From Eileen Keane : Mystery Quilt Sew Along FB group

14:54:34 From Dana Doerfler : Calico Patch Designs Gingerbread Stitches

15:08:13 From Denise : can we do a zoom class with some of the money?

15:23:59 From Patricia Becerra : So...what is done in chapters?

15:25:36 From Sheila : I would love virtual meetings. And recorded classes because of my slow internet dropping during this live.

15:27:39 From Sharon : are we insuring in our contract with speakers / teachers that they will allow us to retain the content

15:28:45 From Sharon : It is teaching us flexibility by force!

15:29:01 From Sharon : definately

15:29:09 From Patricia Becerra : I would love regular virtual meetings.

15:29:33 From Sheila : Yes to virtual meetings. Maybe quarterly.

15:29:36 From Pearl Sceviour : I live in Canada -- online meetings allows me to participate where I could not do in person - and see speakers I might not otherwise see.

15:29:47 From Theresa Fisher : Yes I don't have a chapter either.

15:29:58 From maryanngamache : I would love virtual meetings.

15:30:07 From chasmarymindspring.comoct : I would love virtual meetings. Mary Reed

15:31:01 From Jolene Mershon : I would like virtual meetings but maybe either monthly or bi-monthly. Jolene Mershon

15:33:19 From Patricia Becerra : I just started Facebook this year.

15:33:24 From chasmarymindspring.comoct : I don't use Facebook. Mary Reed

15:33:30 From Jolene Mershon : I use it only occassionaly. Jolene Mershon

15:34:02 From Barbara : Barb Eikmeier here. I appreciate that you are taking into consideration teacher's consent for posting videos of full presentations. Many of us are re-inventing our businesses and thinking about what we can do to continue to make our offerings unique enough for groups to want to book.

15:36:06 From Pearl Sceviour : Even posting a video for a short time limit (a week) to allow members to catch up on a presentation - you miss it, it's like missing an in-person meeting

15:36:42 From Marguerita McManus : I have take 2 online classes

15:37:34 From Jolene Mershon : Alex Anderson is doing an online class 3 times a week right now. I think she's using YouTube. It's then saved on her website for later viewing. Jolene Mershon

15:38:46 From Marguerita McManus : I did 3 hour classes and there were breaks in it.

15:40:56 From Jolene Mershon : You can ask questions of Alex Anderson during the real time class. She answers them real time. Jolene

15:43:07 From maryanngamache : With the delayed time for practicing (as Dana shared) and open door to questions to the teacher, I think the virtual class sounds very interesting.

15:43:45 From Marguerita McManus : GoToMeeting allows up to 250 people in a meeting but the functionality is not quite the same.

15:44:30 From Marguerita McManus : Lots of guilds love the break out rooms that Zoom provides.

15:45:52 From Sally Bonello : Love the Newsletter

15:46:10 From chasmymindspring.comoct : I do read it. Mary R

15:46:17 From Lindy W : I read it

15:46:21 From Jolene Mershon : I read it and even save them. Jolene

15:46:24 From Nancy Benoist : I read it. nancy benoist

15:47:01 From Sheila : Read and save the newsletters!

15:47:13 From Theresa Fisher : Yes read word for word!!!

15:47:17 From Jolene Mershon : I love the interviews. Pam Holland interview was very interesting. Thank you for doing the interviews. Jolene

15:47:36 From chasmymindspring.comoct : Pam Holland info was GREAT! MaryR

15:48:57 From Barbara : I think short video content is a better way to go than free patterns in the newsletter. They could be as short as, for example, "Making Colonial Knots" etc.

15:50:07 From Alice Freppon : great idea

15:50:48 From Sharon : stitch a long!

15:50:52 From Heather Mantz : I love participation

15:50:58 From Sue : Amen to participation!!!

15:51:00 From Pearl Sceviour : Challenges and stitch a longs are interesting - small enough to participate without taking over your life

15:51:07 From Sharon : would love to work on something that others were also working on to share / learn from

15:51:23 From Sharon : I'd be fine with buying the pattern that was selected

15:51:39 From Katherine Dunigan's iPhone : I think a stitch along would be so much fun😊

15:52:14 From Barbara Dyar : Participating gives us connection.

15:53:48 From Sharon : I would do that

15:54:02 From Katherine Dunigan's iPhone : I have a stitch along I am working on for TAS for free.

15:54:47 From Katherine Dunigan's iPhone : yes

15:54:59 From Katherine Dunigan's iPhone : I am working fast and furiously

15:55:07 From maryanngamache : Excellent!!

15:55:07 From Katherine Dunigan's iPhone : can't text fast tho

15:55:14 From Katherine Dunigan's iPhone : NOOOOOOO

15:56:33 From Katherine Dunigan's iPhone : I will have it for 6 months total and be in touch with TAS soon, so to use it for us, whenever available.

15:56:58 From Barbara Dyar : see how much more fun it is to be interacting virtually than to just go to the website!

15:57:02 From Katherine Dunigan's iPhone : yes

15:57:11 From Katherine Dunigan's iPhone : 😊😊

15:59:57 From Katherine Dunigan's iPhone : Thanks, Ladies! Loved it all! See you later on!

16:00:30 From Barb Reininger : great job Dana.

16:01:26 From Sharon : since it is Friday I don't have to worry about staying up late here on the East Coast!

16:01:46 From Eileen Keane : Sharon, what's your last name?

16:03:53 From Sharon : Eileen Keane it is ... Sharon Dziekan

16:04:06 From Sharon : The D is actually silent. Pronounced Z-kin

16:05:40 From Marguerita McManus : Kathy, when you click to share a video be sure to click the "share video sound" button at the bottom

16:06:06 From Sharon : that is absolutely true!

16:06:20 From Barbara : Dana, This is Barb Eikmeier. I was not able to unmute my mic today. Any hints for tomorrow?

16:07:49 From Dana Doerfler : Barb - I can't seem to unmute you either

16:41:48 From Marguerita McManus : I heard the 50 person limit also

16:44:40 From Marguerita McManus : earbuds are good for people with hearing issues

16:49:59 From Marguerita McManus : The closer you are to your home router, the better your connection. even better is to be wired into your router.
