Date of Class: _____ Time _____

Notes:

This is a four hour class and we will need every minute possible to get through all three variations of the Lemoyne Star.

To help ensure your success in this course, it will be important for you to be familiar with the basic construction of the Rapid Fire[®] Lemoyne Star. If you have not made a Lemoyne Star using the Rapid Fire[®] tool in a while, you may want to practice your skills prior to class.

It would be also helpful for you to have your fabrics pre-cut prior to class so that you can spend the maximum time sewing.
