Date of Class: _____ Time _____

1-201 V Block[®], Sidekicks, and High/Lows If you are seeing stars in your future then you have just found your new best friend, the V Block[®]. Making stars is not the only thing the V Block[®] can do to improve your piecing techniques. Once you learn how to use the V Block[®], you will not go back to those plastic templates you have been tracing and slicing. Or connect a V Block[®] with a half square triangle and watch the curves develop. The possibilities are only limited to your imagination.

Push the use of your V Block[®] a bit further by learning how to create Sidekicks and High/low units. You will amaze your quilting friends by thinking that you made a difficult unit, when in fact the use of the V Block[®] made your life so easy.
