

# Tucker University Course & Supply List

Date of Class: \_\_\_\_\_ Time \_\_\_\_\_

**1-501 Corner Beam®** The Corner Beam® adds even more unique options to your quilt designs. The combinations and the twists and turns makes it look as if the quilter had to work with lots of odd shaped pieces when in fact they did not. The construction of a Sliver unit advances the use of the Corner Beam® and once again makes precise piecing look hard when it is easy.

Required tool: Corner Beam®

Required Technique Sheet: Sliver

Required Design Sheet: Corner Beam

\*These items can be purchased at Cotton & Chocolate Quilt Co.

## **Basic Sewing Supplies**

Sewing Machine with  
power cords and manual (just in case)  
Thread  
Machine needles  
Snips or trimming scissors  
Seam ripper

## **Basic Quilting Supplies**

Rotary cutter with a sharp blade  
Marking Pencil (Mechanical will do)  
Small cutting mat  
Straight edge ruler approx. 6" x 12" or so  
Invisgrip (Optional)  
Best Press or light starch (Optional)

**Fabric Requirements:** Fabrics will be cut during class. Therefore, the fabric requirements are healthy amounts so that you can make your own design choices during class. You may even want to use some of your scraps from your previous classes here.

For course 1-501, we recommend the following yardage:

1/4 yard Focal Fabric

1/4 yard Background

1/4 yard of one or more coordinating or contrasting fabrics with the focal fabric

**Special Note:** Please prepare (8) half square triangles prior to class. The starting squares are to be 5 1/2". Please DO NOT trim down or square up these (8) units. You are encouraged to use Deb Tucker's method of creating half square triangles from your Tucker Trimmer I Instruction set or you can refer back to class 1-101.

The fabric required to create (8) half square triangles is **not** included in the above fabric requirements.
