

Tucker University Course & Supply List

Date of Class: _____ Time _____

1-801 Split Rects[®] You can toss your plastic templates aside for good because you use your Split Rects[®] tool instead. Learn how to make crisp, clean half rectangles or what Deb Tucker calls a Split Rects[®]. By using the Split Rects[®] tool, you do not have to worry about shaving your plastic templates any more or knowing which was a left side or a right side piece. There are 8 different size options with the Split Rects[®] tool. Your stars will twinkle with these strong points.

Required tools: Split Rects[®]

Required Design Sheet: Split Rects
