Teardrops Class Supply List

Instructor: Marilyn Petersen

This is another fun 2 ½” strip pattern designed by Cozy Quilt Designs. It is made up of one main block in the center that is set on point, setting triangles and then corner blocks. My sample is the “throw” size which is 78” x 78”. We have kits for my sample available at the shop to make this size. If you are using your own fabrics, please follow the pattern guidelines for the size you would like to make.

Supplies Needed:

- Pattern: *Teardrops by Cozy Quilt Designs*
- Sewing machine in good working order
- 100% cotton thread, in neutral color for piecing
- Thread snippers or small scissors
- Rotary cutter (I like to use 45mm for this project) and mat (you can use one of the shop mats while working in class)
- Seam-ripper – just in case!
- Fine, straight pins

Fabric:

- See pattern for the size quilt you plan on making. A jelly-roll (2 ½” strips) will make it easy!

Prior to class:

- It would be great if you could do the cutting prior to the first class meeting as there is quite a bit of cutting and it takes a while. I would rather use the class time for sewing! If you cannot do it all, at least do a little bit so that you have some fabric to work with for some of the piecing when we get together.
- Cutting: Start with page 1 & 2– Collecting and Cutting Your Strips – these will be cut from your 2 ½” print fabrics. Be sure to label these!
- Page 2: Cutting Your Background – Again- be sure to label these as you cut them.

If you have any questions, you can leave a message for me at the shop or email me at marilyn@cottonandchocolate.com - see you soon!!!
