## “Thread Catcher” Supply List

### Instructor: Vaune Pierce

Petite Piping is the perfect addition to your project, whether it is a quilt, and accessory, or a garment. Tiny and subtle, it can add depth, texture and contrast for a great visual impact. In the Petite Piping Thread Catcher, I will show you how to insert petite piping using 3 different methods, and explain why and where you should use each method! When you are finished, you will have your own piped thread catcher!

Class Experience Level: ALL

#### **Supply List**

- Sewing machine that has the ability to move needle positions to the right and left.
- 5 groove pin tuck foot (Bernini #31), 1/4” foot. (Please call me and let me know what brand of machine you have so I can make sure you have a foot that will work - 805-529-5005)
