Tucker University Course & Supply List

Date of Class: _____ Time _____

1-701 Corner Pop[®] Stop throwing away half of those squares you used to pop off a corner and start saving your fabric by using the Corner Pop[®]. Before you know it, you will be popping off the corners of every unit. The Corner Pop[®] does just that, it helps to add a pop of color to any unit and can add a secondary pattern to your quilt.

Required tool: Corner Pop[®]

Required Design Sheet: Corner Pop

*These items can be purchased at your local quilt shop

Basic Sewing Supplies

Sewing Machine with
power cords and manual (just in case)
Thread
Machine needles
Snips or trimming scissors
Seam ripper

Basic Quilting Supplies

Rotary cutter with a sharp blade
Marking Pencil (Mechanical will do)
Small cutting mat
Straight edge ruler approx. 6" x 12" or so
Invisgrip (Optional)
Best Press or light starch (Optional)

Fabric Requirements:

NOTE: If you have taken previous Tucker University courses, you may already have some smaller scraps that measure at least 3 1/4" square. If this is the case, you are ready for class.

Approximately (2) strips of fabric that measure no less than 3 1/4". For best results, these strips should read as a solid and be in strong contrast to your Pre-class units as specified below.

Pre-class construction of units

(4) 4 1/2" squares of fabric

(4) 4 1/2" (cut-size) half square triangles*

Units of your choice that have a cut size of 4 1/2" or in the case of a flying goose the cut size would be 4 1/2" x 2 1/2". For example, you might elect to construct (4) 4 1/2" quarter square triangle* units, or (4) 4 1/2" V Blocks* units, or (4) 4 1/2" Corner Beam* units

*Unit that can be constructed using a Studio 180 Design tool.
