Cottage Quilt Supply List

Instructor: Marilyn Petersen

Make this beautiful quilt that consists of two easy block sets. One is a cottage block and the cottages are surrounded by "tree" blocks. My quilt features the "Old Rose" collection from the Tilda fabric line but it would look lovely in any Tilda line or other fabrics that you love. I will show you some techniques to get your blocks to look perfect and you will love the process!

Supply List

- "Sewing by Heart" book by Tone Finnanger for Tilda. Pattern is located on page 91.
- Review pattern for recommended fabric requirements and adjust fabric colors to those that you are selecting to use.
- Sewing machine and all related supplies to include rotary cutter and ruler
- Folded Corner Clipper Ruler (recommended for making the corner triangle units)
- Wing Clipper Ruler by Deb Tucker

Fabric:

- See pattern

Other:

- Thread
- Seam ripper
- Reading glasses, if needed

Prior to class, if possible please have your fabrics for cottages, cottage backgrounds. We will cut fabrics for trees in class.
