Cream & Sugar BOM Supply List

Instructor: Marilyn Petersen

This is a 12-month Block of the Month program that features soft browns and creams to create a soft neutral quilt. Of course, you can always introduce another soft complimentary color to give your quilt an individual look and Marilyn can help you with your design. This is an 18 block sampler and Marilyn will provide tips and tricks to help you with the technical sewing to make with beauty!!

We are offering kits for the entire quilt that follow the exact fabric line – see the shops for details.
