Criss Cross Applesauce

Teacher: Penni Albarran

805-405-9126

Quilt size: 44" x 51"

Criss Cross Applesauce is what I named this quilt because it reminds me of playing jump rope as a child. To that end, I used fun vintage-looking fabrics. But how fun would it look in patriotic or civil war repro fabrics. Or how about batiks? Floral? Novelties? The possibilities are endless! - very simple block construction has different layout options.

Supplies:

Corner fabric & border– 1 3/8 yd of a white, white-on-white, or other light contrast fabric.

Prints – you need (120) 4 ½" squares for my sized quilt. I used 2 each of 60 prints.

Binding – ½ yd

Backing – 3 yards non-directional

Folded Corner Clipper Ruler (optional, but recommended)

Also:

Sewing machine in good working order, rotary cutter, mat, and ruler, pins, seam ripper, thread, scissors etc.
