English Paper Piecing by Machine **Instructor: Marilyn Petersen**

English Paper Piecing by Machine? That's right, Marilyn will show you how to turn your fabric onto the paper pieces and then top stitch your pieces together. Get ready to make it fast and easy!

Supplies:

- 1" Hexagon Papers by Paper Pieces
- 2 ½" fabric squares (mini charms or charm packs work great for this)
- Sewline glue pen
- Microtex Sharpe size 70/10 machine needle
- Clear thread for the top of your machine
- 50 weight/2 ply thread for your bobbin. I use DMC machine embroidery thread or Aurifil (both available at the shop)
- Open-toe appliqué foot
- Reading glasses (if you need them)
- Sewing machine in good working order

Any questions – email me at Marilyn@cottonandchocolate.com
