## **Fab Five ReMix**

### **Instructor: Marilyn Petersen**

Mix it, Match it, Make it. It really is that simple. The book contains 2 basic quilts and 2 seasonal appliqué patterns and you also receive a pillow pattern with the ruler. It is easy to add your own appliqué or just add a conversation print to make it easy! This is a cute quick quilt for a gift, a picnic, a party theme or for yourself!!

#### **Supplies Needed:**

- Book: Fab Five Remix by Abbey Lane Quilts
- Fab Five Ruler
- Sewing machine in good working order
- 100% cotton thread, neutral color for piecing
- Thread snippers or small scissors
- Rotary cutter and mat (you can use one of the shop mats while working at the class)
- Acrylic ruler for cutting strips
- Seam –ripper (just in case)
- Fine, straight pins

#### **Fabric:**

- For multi-color quilt: 8 coordinating fat quarters - or -
- For 2 color quilt: 4 fat quarters from one color family and 4 fat quarters from a different color family

Prior to class: Refer to the pattern and complete the cutting of the strips prior to the first class. In this way we can get a lot more done DURING the class! However, do not do the cutting of the strips using the FabFive Ruler –we will do that part of the cutting in class.
