Class Supply List
Large Tuffet Foot Stool

Read your Tuffet Kit Instructions and call me with any questions.

Come to class with foundation fabric segments and fabric strips cut out. Each Tuffet kit will have different requirements depending on the type of kit purchased and lay-out. This is why it is important to order the kit early and read the instructions. Depending on the kit you purchase drilling of holes and basic base assembly will need to be done prior to class. I suggest you purchase the complete kit that has the holes pre-drilled and contains the cording for the gathering of the Tuffet base. However, if you like to do it yourself, purchase the basic Tuffet kit and complete the base assembly and paint the feet. In class, we will be constructing the fabric portion and final assembly of the Tuffet.

Supplies Needed:

Tuffet Kit

Tuffet Foundation Pattern

Fabric requirements will be determined by the pattern purchased and design lay-out. Please read instructions... I used a jelly roll and additional fabric.

18" square of coordinating fabric for base

6" square of coordinating fabric for button on top of Tuffet

Add a Quarter Ruler

Template plastic

Basic Quilting – Sewing supplies – scissors, thread, bobbin, seam ripper, making pen, sewing machine, ect.....

Supplies you might need:

Heavy duty stapler – I will bring one...

6" button

Batting to cover button

Tufting cording

Feet

T screws

Please read instructions on pattern to determine what else might be necessary

If you have any questions please call me... Monique Waddell 805-796-3815

We will gladly order your Tuffet kit at Cotton and Chocolate....
