## Lazy Days Cat & Bird Quilt Supply List

Instructor: Marilyn Petersen

Cat & Bird lover or not, this adorable quilt is hard to resist. Mine is made from a Tilda fabric line, however you can make it with whatever fabrics you love. You will learn to make the curved cat's back with some easy piecing tips from Marilyn and the cats' cheeks and noses are made using easy applique.

### Supply List

- "Lazy Days Cat & Bird Quilt" pattern by Tilda. This pattern is currently available for free on the "Tildas World" web site.
- Review pattern for recommended fabric requirements and adjust fabric colors to those that you are selecting to use.
- Sewing machine and all related supplies to include rotary cutter and ruler
- Template plastic
- Folded Corner Clipper Ruler (recommended for making the corner triangle units)

### Fabric:

- See pattern

### Other:

- Thread
- Seam ripper
- Reading glasses, if needed

Prior to class, please have your fabrics cut per the pattern, if possible. Or, please cut fabric for one large cat and one small cat block to start.
