In preparation for Judy's New Technique of the Month - Vintage Rose that will be released in late January 2017, we will focus on some smaller projects this fall that use techniques that are part of Vintage Rose. This includes the following Techniques :

In-Line Diamonds (Prismatic Star)  
Curved Seams (Flower Placemats)  
S-Curves (Stormy Seas)  
Fabric Selection (Vintage Compass)

Select the pattern that has the technique that you have the least experience with, or the one you are most interested in. Most of all — have fun!!!!
