Date of Class: \_\_\_\_\_ Time \_\_\_\_\_

**1-401 Square Squared® and Little Houses** The Square Squared® unit can be found within blocks as well as sashing. Since this unit is often used to connect other units, the points are extremely valuable for the design to work without interruption. You will save those points with the Square Squared® tool. A secondary benefit to using Deb Tucker's method of creating Square Squared® units is that you will not waste fabric. It's a win-win situation.

Expand the use of your your Square Squared® tool by learning how to make little houses. Little houses have been disguised in borders and have shown up in some star blocks. You will be astounded where these units show up.

Required tools: Square Squared® and Quilter's Magic Wand®  
Required Technique Sheets: Little Houses  
Required Design Sheets: Square Squared

\*These items can be purchased at your local quilt shop

### **Basic Sewing Supplies**

**Fabric Requirements:** Fabrics will be cut during class. Therefore, the fabric requirements are healthy amounts so that you can make your own design choices during class. You may even want to use some of your scraps from your last class here.

For course 1-401, we recommend the following yardage:

1/4 yard Focal Fabric  
1/4 yard Background  
1/4 yard of one or coordinating or contrasting fabric with the focal fabric
