Supply List

- Bring all your T shirts! Preferably washed
- T Shirt Quilts Made Easy by Martha Deleonardis or any T Shirt Quilt book you may already be working with
- This class is really a workshop designed to help you get started or help you complete a T shirt quilt you may have already started in a class with me
- Bring lots of stabilizer! I recommend Pellon Shape Flex 301, it is a lightweight cotton stabilizer that is easy to work with
- Pressing Cloth
- Largest square ruler you own (at least 15")
- Rotary cutter with fresh blade
- Pencil and paper, graph paper is a good idea but not required

Bring these only if you are ready to sew:

- Sewing Machine in good working order and a fresh needle
- Quarter inch patchwork foot
- Sewing supplies, scissors, thread, seam ripper, pins, etc.

See you in class!
