### CREATIVE TEXTURES AND FILLS

FRIDAY SEPTEMBER 27 9:30-12:30  
Meandering is the easiest and most common filler for background space – but there are countless other creative design elements to use instead. Come expand your design portfolio by learning the stitch path of a wide variety of creative filler designs. Learn which designs lend themselves best to micro-quilting, and how to use Micro Handles for best results.  
TOPICS INCLUDE:

- Select appropriate fills to complement design style
- Create special effects with different fillers
- Scale the fill design size appropriately
- Evenly place and space fills
- Effectively use HQ Micro Handles

### FEATHER FOUNDATIONS

FRIDAY SEPTEMBER 27 1:30-4:30  
Feather designs always add a touch of class to any quilt, evoking a positive response from any viewer. Learn to draw and stitch these beautiful elements in many different styles, from traditional to contemporary. Then learn how to fit them in specific geometric spaces, how to turn corners, make feather wreaths, and how to echo and add fills. It's easier than you think!

TOPICS INCLUDE:

- Basic feather spines and stitching paths
- Feathered wreaths and swags
- Fitting feathers within a geometric space
- Feathered borders
- Using feathers in an overall design

### LONGARM TOY BOX

SATURDAY SEPTEMBER 28 9:30-12:30  
Buying a longarm machine is only the first step toward successful quilting. Wait until you see what these nifty gadgets and accessories can do to make your quilting even more accurate, faster, easier and more fun! Come see why you'll be reaching for these tools again and again, and always with a smile!

TOPICS INCLUDE:

- Design, audition, and application tools
- Quilt-loading and frame accessories
- Handi Feet options
- Channel locks and straight line options
- Thread management and tension

### NEW KIDS ON THE BLOCK

SATURDAY SEPTEMBER 28 12:30-4:30  
Handi Quilter continually adds new rulers to the line-up and you will welcome them with open arms. Come learn about their features, how to use them and what you can accomplish with this cadre of handy new rulers. Sized to fit your hand and designed to make ruler work easier, you'll be reaching for these rulers again and again!

TOPICS INCLUDE:

- Customize your quilt with crosshatching and straight-line quilting from every angle.
- Develop an inventory of arc designs you'll love.
- Perfect pebbles are now in reach.
- Reshape the clamshell for an updated modern look.
- Learn about how stitch-in-the-ditch quilting can be both fun and easy to do!
