

Master Your Stripology Ruler

GEasy Flying Geese

In this class you will learn to make the GEasy Flying Geese (4 at a time) and a table topper. This is a 3 hour class so please be ready to start at the beginning of class. There will be demonstrations by me and time for you to cut and sew. I will provide all of you with a test set of fabrics to make your first 4 flying geese.

Supply list:

- 1 yd of background fabric
 - Cut the following from the background (BKRD) fabric:
 - 9" strip (1) cut into 4 squares that are 9"
 - 8" strip (1) cut into 3 squares that are 8"
 - Save the remaining pieces from the strips and background fabric. We will cut the rest of the fabric for the table topper in class
- 7½ inch squares (4 squares) from assorted fabrics that will work with your BKGRD fabric
- 6½ inch squares (3 squares) from assorted fabrics that will work with your BKGRD fabric
- 1/3 yd of binding fabric (not required for class)
- Master Your Stripology Ruler book
- Stripology Squared Mini Ruler
- Stripology XL Ruler or Stripology Squared Ruler (these are optional but make cutting fabric for the table topper much faster)
- GE Ruler stickers
- Sewing Machine in good working order
- Basic sewing supplies: thread, scissors, pins, etc
- Rotary cutter (45 or 60 mm) that is retractable. Smaller size cutters do not work with these rulers and cutters that are activated by pressing down also do not work with these rulers
- Cutting mat to use by your machine; if you don't have 1 other options will be provided to you at class
- Pen/Paper (optional)
- Mini iron (optional) and ironing pad (optional)
